Registering for Events in Yu-Gi-Oh! NEURON (NEURON)

Advantages of registering for events in NEURON

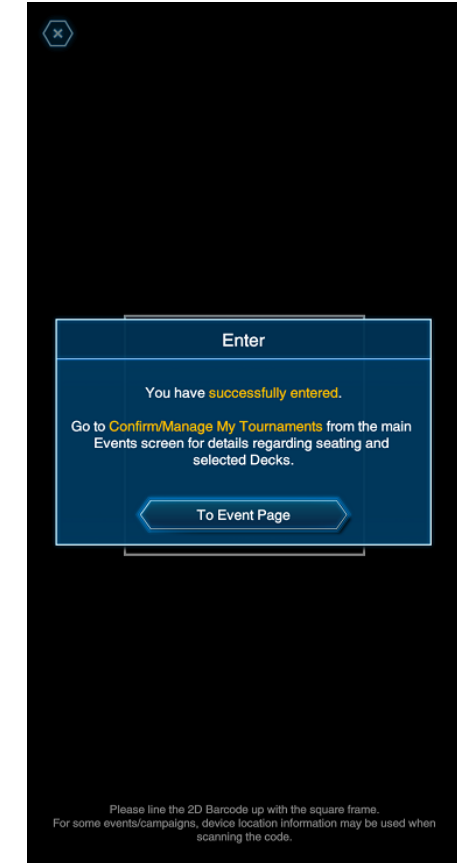

- Register directly – no need for filling out registration forms
- Reserve your spot – If allowed by your OTS, you can reserve a spot in a tournament in advance
- Submit your Deck List – no need to fill out a Deck List form if allowed by your OTS
 - Create your Deck List at any time before an event in NEURON and you can submit the Deck List when registering

How to register for an event in NEURON

- The easiest way to register for an event in NEURON is through a QR code provided by your OTS. To register using this method, have NEURON open when you register with event staff at your local OTS
- Press the **Data** button on the bottom right of the screen
- On the **Data** page, press the **Scan QR Code** button, shown with a red outline in the image, to bring up your phone's camera to scan the QR code provided by event staff
- After scanning the QR code provided by event staff, you will receive a confirmation in NEURON with a button to go to your Event Page

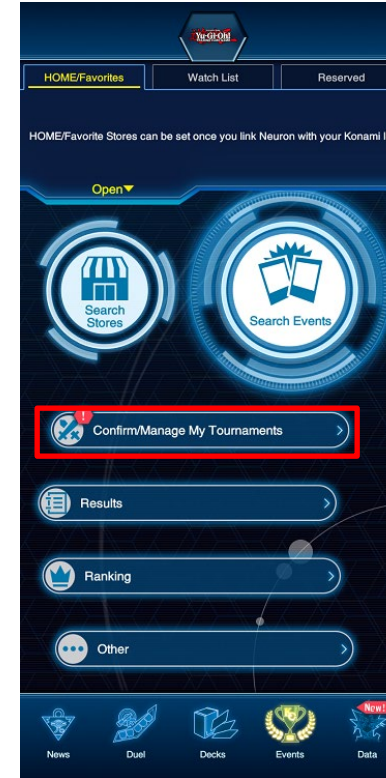

Scanning the QR Code

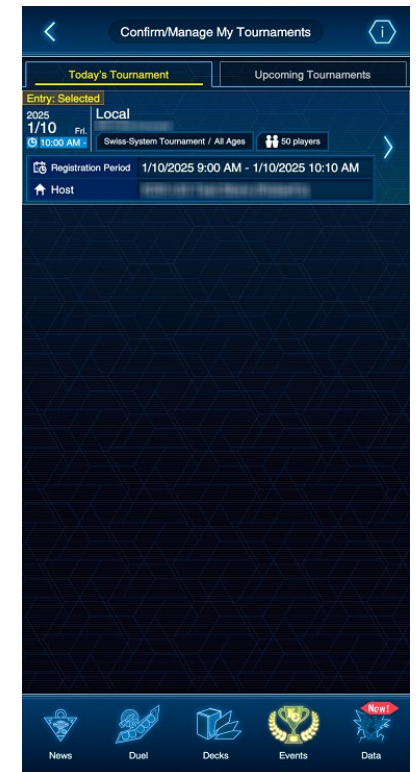

Successfully Registered

Confirming registration in NEURON

To confirm you have successfully registered for the event, you can press the **Events** tab, then the **Confirm/Manage My Tournaments** button. This will show your events you have registered for that are currently running

Current Events

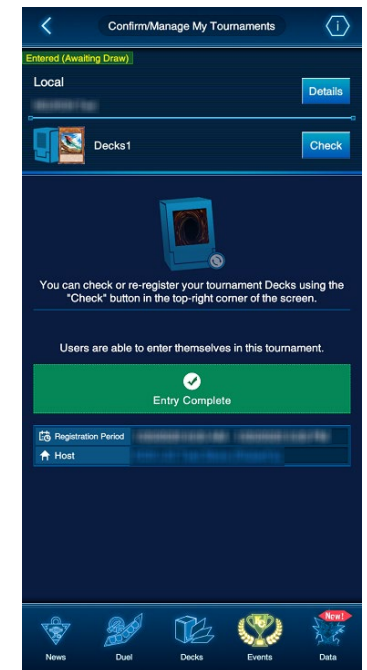

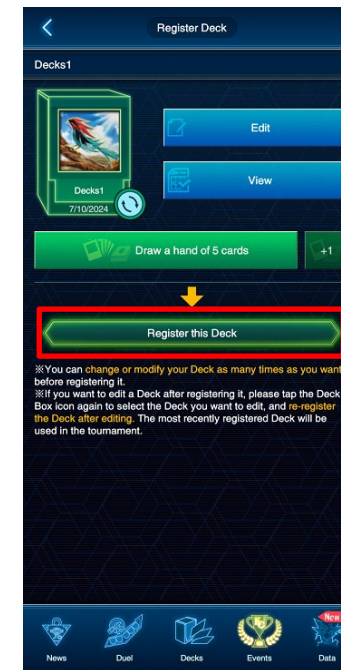

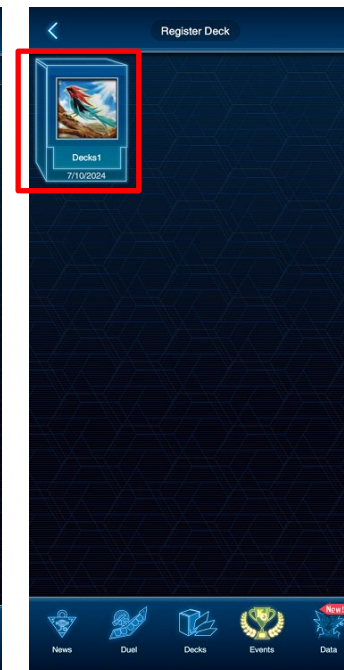

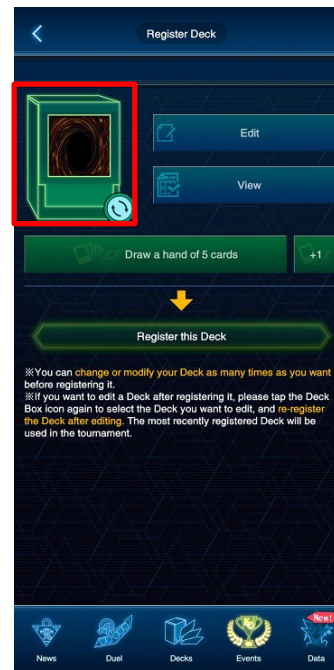

Registering a Deck for an event

- If you are playing in an event that requires a Deck List, your OTS can enable you turn in your Deck List in NEURON.
- To register your Deck List for an event, tap on the **Events** button, and then tap on **Confirm/Manage My Tournaments**
- Then, tap on the event in which you wish to register your Deck List
- Then, tap on the green **Register** button

Registering a Deck for an event

- After tapping on the green **Register** button, the *Register Deck* page will be displayed
- Tap on the image of the card case to view all Deck Lists you have created in NEURON
- Tap on the Deck you wish to register in the event to select that Deck List
 - You can view the Deck List to confirm it is correct by tapping the **View** button
 - You can edit the Deck List if it is not correct by tapping the **Edit** button
- If the Deck List is correct, tap the green **Register this Deck** button
- Your Deck List is now submitted for the event

Questions

- If you encounter an error at an event, speak with event staff. They will be able to help by either helping correct the issue, or enroll you in the event if a solution isn't available.
- If you encounter an issue that event staff at your OTS is unable to assist with, please email us-opsupport@kde-us.com with a description of what was happening, including as many details as possible, to allow KONAMI staff to attempt to find and correct the issue.
- If you have any other questions, please email us-opsupport@kde-us.com for further assistance.
