If you have any additional questions, please contact the Tournament Organiser directly using the email address available on the events section.

Please also ensure that you are aware of the latest Health and Safety regulations of your country due to the ongoing Covid-19 Pandemic. We advise Tournament Organisers and Duelists read the Covid-19 Policy Addendum, [here](#).

II. Preparing for the event

If I've never been to a OTS Championship tournament, what should I expect?

OTS Championships are large tournaments and attract competitive Duelists who are attempting to earn World Championship Qualifier invites, OTS Championship prizes and challenge their Dueling skills.

There are a lot of things you should do to make sure you are prepared before heading to the tournament. Read over the list of things you will need for the tournament, and make sure you have everything. You'll have a better time at the event if you don't have too many bulky or heavy possessions to carry around, as it can get crowded there on the floor. Think ahead while you are planning what to bring with you.

When you get to the event, you will need to register in order to play. You will also need a CARD GAME ID card – this is the ID number used to track you in the tournament. If you don't already have one, you will be able to get one at the tournament.

If you have a CARD GAME ID and have lost or forgotten it, you can ask the Registration station to look it up for you. If you've played in a previous event, they may be able to retrieve your number.

Duelists may link the NEURON phone app with their KONAMI ID. This will allow quick access to the Duelists KCGN ID. This also provides additional benefits, such as notifications of qualification status, and online reservation (where offered by the host OTS).

Please arrive at least 30 minutes before the OTS Championship is scheduled to start to ensure you will be properly registered for the tournament.

You will also need a Deck List. A Deck List is required to participate in the OTS Championship. You can get a Deck List form at the event when you register, or you can download one to fill out ahead of time by clicking on this link: http://www.yugioh-card.com/uk/gameplay/rulings/constructed_deck_list.pdf. Write the name of each card in full and write down how many copies you have in your Deck.

- Make sure your name and KCGN ID are on your Deck List.
- Make sure your Deck List exactly matches your Deck.
- Write legibly and do not use abbreviations for card names.

In some cases, where offered by the host OTS, players may submit their Deck List digitally. This can be done using the NEURON smartphone app.

Please check with the Head Judge for additional instructions on the Deck List collection process.

Duelists are responsible for paying attention to information from judges and/or tournament staff in order to understand what is going on. If Duelists have questions about the event either beforehand or while they are there, they should check with the Tournament Organiser.

Before heading to the event, all Duelists should read over the KDE Tournament Policy and Penalty Guidelines carefully. These documents tell you what you can and cannot do at an event and give you a good idea of what to expect. You may find these Guidelines, [here](#).

When you compete in a OTS Championship tournament, you'll be held to high standards of play and sportsmanship. You should know how the cards in your Deck work, and should take great care to prepare your Deck, sleeves, and Deck List. Duelists must pay attention to information from judges and/or tournament staff in order to understand what is going on. Duelists are expected to know and understand the information provided in the above policies and guidelines while at a OTS Championship or any Sanctioned event.

Frequently Asked Questions (FAQ) 2022 OTS Championships

OTS Championships are excellent places to test your skills, learn more about deck building and strategy, and see how well you match up against the other Duelists in your area.

What will I need to bring to an OTS Championship tournament?

You must bring a tournament-legal Deck as described above, along with any tournament supplies you will need, such as paper and pen to track Life Points, dice, Field Center Cards or counters if you are using cards which require them.

Extra sleeves to replace any that become damaged, and so forth might be necessary. If you have a CARD GAME ID number, you should bring your number and barcode. You'll also need the entry fee for the tournament, as well as money for your incidentals (food, drink, Public Events, etc.). If you win a qualification to the 2022 WCQ, the Tournament Organiser might require you to provide a form of legal identification, so bring a passport, school ID, driver's license or similar.

I want to judge at an OTS Championship, how can I volunteer?

If you're interested in judging, you should contact the Tournament Organiser for the OTS Championship as soon as possible. Most Tournament Organisers are always on the lookout for judge staff, so be prepared to provide your full name, contact information including email and phone number, and a description of your previous judging experience.

Judges are encouraged to take the Level 1 Rulings Comprehension test available at <http://www.yugioh-card.com/uk/gameplay/judges.html>. Following their successful completion of the test, they should follow the instructions at the above link and register as a judge with KDE.

Can I get a CARD GAME ID number at the OTS Championship tournament, or will I need to have one before I attend the event?

If you do not have a CARD GAME ID number, you can get one at the event by requesting it to the Tournament Organiser. You may also download the NEURON app and register for a KONAMI ID. Doing so will award you with a CARD GAME ID. If you already have a CARD GAME ID number but do not remember the 10-digits, a registration staff member on-site may be able to assist in finding your correct ID. Duelists should avoid acquiring new CARD GAME IDs if the previous ID can be found.

Will I need to complete and turn in a Deck List?

Duelists must check with the Tournament Organiser if they require to turn in a completed Deck List in order to participate. Please check with the onsite Tournament Organiser for additional information regarding the Deck List collection process. Duelists can download the official KDE Deck List at http://www.yugioh-card.com/uk/gameplay/rulings/constructed_deck_list.pdf.

In some cases, an OTS may offer Deck List registration using the NEURON app. Please check with the host OTS whether this is an option.

Duelists are encouraged to complete their Deck List before arriving at the tournament.

What cards are legal for play?

Please check the "Products" page online at <http://www.yugioh-card.com> for an updated look at the legality dates of Yu-Gi-Oh! TRADING CARD GAME product releases, **prior to preparing your Deck for the event.**

In addition to checking the tournament legality of a product, please check the current Advanced Format Forbidden/Limited list. Certain cards in products with tournament-legal dates can sometimes be excluded from the current format.

Can I use OCG cards in my Deck?

No. Cards printed for Asian markets are not legal for play in TCG tournaments.

Can I use foreign language cards in my Deck?

You can use foreign-language copies of legal-for-play cards printed for the TCG market, as long as you can show an official translation of the card, kept outside of your Deck, when asked to do so by an opponent or tournament official.

Duelists may also use NEURON to scan and translate cards and show them to their opponent.

Whom should I contact for more information about a specific OTS Championship?

Your best resource for answers about a specific OTS Championship event is the contact listed in the list of OTS Championship dates and locations, as posted on www.yugioh-card.com. KONAMI won't be able to answer questions such as "How do I get to the venue?", "Where should I park?", "When does registration start?", and so forth. For questions such as these, you will need to contact the Tournament Organiser directly.

If you have more general questions about OTS Championships, you can send them to eu-opsupport@konami.com. Please be as detailed as possible, so we can try to provide you with the answers you're seeking!

III. At the Tournament

Will there be Public Events?

Some OTS Championships may offer additional Public Events. Check with the Tournament Organiser to find out.

How long will the OTS Championship tournament last?

The number of Swiss rounds is determined by the number of Duelists enrolled in the tournament. Rounds in the Yu-Gi-Oh! TRADING CARD GAME are 40 minutes long. Since you can play all rounds in a Swiss tournament, you should expect to be at the event for several hours.

What happens if I am not done with my Match during the WCQ OTS Championship after 40 minutes?

Duelists should familiarise themselves with the new End of Match procedures prior to attending any event. Sometimes a Match will not be finished when the time ends for a round. If this happens, it is both Duelists' responsibility to note whose turn it is when time is called. Duelists who require assistance with the End of Match procedures should raise their hand and call for a judge. The judge should be notified that the Match is ongoing and whose turn it is. The judge may or may not stay to supervise the End of Match procedure, but should ensure that both Duelists understand the following procedures.

End of Match procedures should follow these three (3) rules:

Rule #1: If time is called while Duelists are in the middle of a Game, the current Game must have a decision (Win, Loss, or Draw)

Rule #2: Once the current Game has concluded with a decision, determine the winner of the Match by determining the number of Game Wins (or Game Losses) each Duelist has for the current Match. The Duelist with the most Game Wins will win the Match.

Swiss Rounds: If both Duelists have the same number of Game Wins, or if time was called in between games of a Match when both Duelists had the same number of Game Wins, then the Match is a Draw.

Single-Elimination Rounds: If both Duelists have the same number of Game Wins, or if time is called in between Games of a Match while both Duelists have the same number of Game Wins, they will begin a new Duel with specific guidelines.

Neither Duelist may use his or her Side Deck. If time was called in between Games of a Match and at least one Duelist has already accessed his or her Side Deck, then both Duelists may use their Side Deck.

Duelists must use a random method (die roll, coin flip, etc.) to determine who will go first.

The Duel will continue for a total of four (4) turns, two (2) turns for each Duelist, unless a Duelist manages to win the Duel before the four (4) turns have concluded.

Frequently Asked Questions (FAQ) 2022 OTS Championships

A "turn" is defined as the start of the Draw Phase until the end of the End Phase for a single Duelist.

Once the four (4) turns are completed, Life Point totals are compared and the Duelist with the highest Life Point total wins the Match.

If both Duelists' Life Points are the same after the four (4) turns are completed, then play will continue on a turn-by-turn basis, with the Duelist with the most Life Points at the end of a turn being declared the winner of that Game.

Rule #3: If a win condition occurs during End of Match Procedures, that Duelist wins the current Game.

Keeping these three (3) rules in mind, please follow these instructions when proceeding to End of Match procedures:

Continue with the current Phase of the Game. Once the Phase is over, stop the game.

Determine a Game Winner at this point, with the Duelist with the most Life Points winning the Game.

During Swiss Rounds, if both Duelists' Life Points are the same, the Game is a Draw. Compare Game Wins with the Duelist with the most Game Wins winning the Match. If the Game Win totals are the same, the Match is a Draw.

During Single-Elimination, if both Duelists' Life Points are the same at the end of the current Phase (Step 1 above), finish the current turn. If both Duelists' Life Points are the same at the end of the turn, then play will continue on a turn-by-turn basis, with the Duelist with the most Life Points at the end of a turn being declared the winner of that Game.

Match Draws cannot occur during Single-Elimination Rounds.

Can I buy and sell cards from other participants at the event?

Duelists must check with the Tournament Organiser what is their policy regarding buying or selling cards in their venues.

I would like to provide feedback to KONAMI concerning the OTS Championship I attended, who should I contact?

If you attended one of our OTS Championships and would like to send us feedback, you are welcome to send us an e-mail to eu-opsupport@konami.com. Please use the subject "OTS Championship 2022 feedback" when sending in feedback regarding an event.

to participate when earning the qualification; instead, they will announce their decision when enrolling for either of the two Championships.

Duelists may not participate in the 2022 WCQ: Continental Championship, drop, and then participate in the 2022 WCQ: Dragon Duel Continental Championship

Is travel or hotel included with my qualification?

Travel and/or accommodation are not included with qualifications earned at a OTS Championship – the expenses incurred in attending a WCQ: Continental Championship tournament will be the responsibility of the Duelist.

Do I have to qualify in my own country?

You can earn a WCQ invite through OTS Championships in any country. No matter where you qualify, you will always qualify towards the Continental Championship of your home country.
